

## Old Vail Middle School Back to School!

Student schedules are being completed by school staff and as soon as the district opens up PowerSchool to the public, you will be able to view and print your child's schedule from PowerSchool. As soon as PowerSchool is made available, I will send a quick email to you.

Schedule change requests will not be taken until after the first 2 weeks of school.

Be sure to check out our school's website at <http://ovms.vail.k12.az.us/> for school supply lists and other useful information.

As the first day of the 2018/19 school year approaches, we would like to remind you of some important dates and information.
